
2fdck / 2-Fluorodeschloroketamine / 2-FDCK crystal CAS:11982-50-4 Skype:lucy.zhang121

Posted by [lucy99](#) / 11 - Oct - 2017

Product Name:2fdck

Cas No:11982-50-4

Appearance:White powder

Storage:Drying / sealing

Impurity:0.01% MAX

Min.Order:10g

Place of Origin:Hebei

Transportation:EMS,EUB,FEDEX, ETK, USPS and client's request.

Payment Terms: WESTERN UNION, T/T, MONEY GRAM, BITCOIN.

NameB-ketones:Methylone,(S)-Methylone,M-11,TDIQ,2-A1MP,DOMC,PV7,4F-PBP,4-FPD,a-PBT,Dimethylone,4-MEO-PV9,4F-PV9,3,4-DMe-PVP;4-MePBP,4F-PVP,2-MA,4-MePPP,MOPPP,PV8,Methoxetamine,6-APB,MDAI,4-FAect

QualityWearethemanufactureoftheresearchmedicine,thequalityisbestandpriceiscompetitive, Etizolam, a thienodiazepine derivative, is absorbed fairly rapidly, with peak plasma levels achieved between 30 minutes and 2 hours. It has a mean elimination half life of about 3.5 hours. Etizolam possesses potent hypnotic properties, and is comparable with other short-acting benzodiazepines. Etizolam acts as a full agonist at the benzodiazepine receptor to produce its range of therapeutic and adverse effects.

We persist in the management policy of People Oriented, and devote ourselves to providing the best products and services. The quality is the future market, the goodwill is the invisible market, the satisfaction of the customers is the eternal market. To center around the customers, providing the first-class products and services. To be guided by the market, create the perfect production and supply system. We welcome all kinds of

cooperation with the friends all over the world on the fundamental business principle of "equality, mutual benefit and friendly cooperation".

Our highly efficient and professional project management group and chemistry team hold the key to our consistent success. We care about customers' concerns and requirement, and hope to do long-term business with the customers all over the world

Price, company and service advantage:

- 1 Best service, high quality and reasonable price
2. It's customers' right choose. (EMS, EUB, FEDEX, ETK, USPS and client's request);
3. It's customers' right to choose the packing way for his products from many recent effective packing ways
4. Specials are possible when client's order is big enough, including the discount policy;
5. Our company promise to deliver clients' package to his hands safely, or we'll cover the total loss and reship in time;
6. Return policy: we promise we will return your money if our product don't have effect.
