Posted by [Staff](#) / 20 - Jan - 2019

Saturday, February 2, 2019 at 9 AM – 2 PM
Africatown Center for Education & Innovation
3100 S Alaska St, Seattle, Washington 98108

5TH ANNUAL
DOCTOR FOR A DAY
WORKSHOP AND LUNCH

Saturday, Feb. 2nd, 9am-2pm
Africatown Center for Education & Innovation
3100 S. Alaska St.

Africatown Center for Education & Innovation is proud to host our 5th Annual Doctor For A Day program in partnership with the University of Washington Student National Medical Association.

This is a great opportunity learn about healthcare careers and how you can help increase diversity in the healthcare profession!

This event is focused on ALL middle and high school students of color who would like to explore the healthcare and medical field.

SNMA is a student group dedicated to increasing the numbers of people from underrepresented racial and ethnic groups in the healthcare field.

Medical students and resident doctors from University of Washington will show YOU how to do:

- Physical exam skills like taking blood pressure
 - Intubation simulation dummy (aka placing a breathing tube)
 - Suturing (aka stitching) a cut
- and more!!

PLEASE RSVP by clicking on the EVENTBRITE link on our FACEBOOK page OR the direct link below:
